

A Collection Of Trays

apto plus

Our drawers are robust, functional storage solutions designed to fit neatly under a desk or similar surfaces.

The body is made from sheet steel and powder-coated for a durable, scratch-resistant finish that stands up to daily use. Each drawer features a practical plastic insert with multiple compartments, making it easy to organize pens, small office supplies, and personal items.

With their space-saving pull-out design, our drawers are ideal for modern workstations, helping to keep your workspace tidy and organized. Perfect for offices, home workspaces, or any environment where discreet, accessible storage is needed.

Powder-coated finish

All our drawers are powder-coated, providing a hard, smooth surface that is resistant to scratches, corrosion, and everyday wear. This ensures the drawers maintain their appearance and durability over time, even with frequent use.

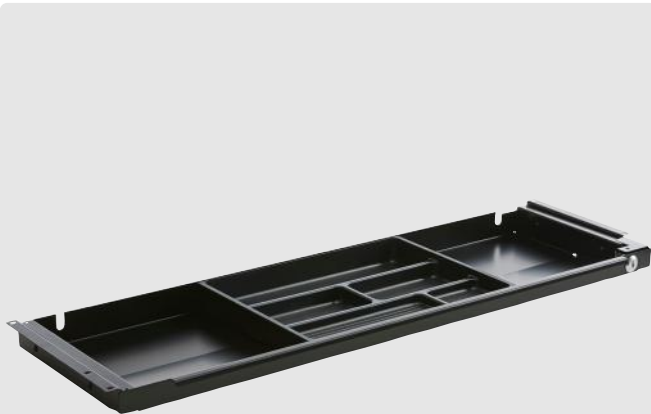

Most of our drawers are available in three standard colours: black (RAL 9005), aluminium look (RAL 9006), and white (RAL 9016). Below is an example of how our Laptop Tray Extra looks in these three finishes.

Custom colours are also available upon request. Please contact us for further information and options.

Slim tray

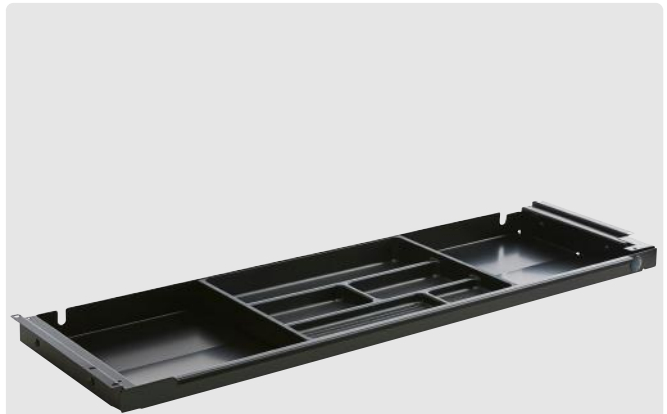

Our well-known Slim tray has a discreet look, where no compromises have been made in terms of functionality. The product series consists of two sizes, both of which are available in two different models, as well as three different colors. The same for these drawers is that they are delivered with a removable plastic insert, which creates divided storage space for various belongings.

Ultra Pen

Ultra Pen is designed to fit most desks thanks to its compact depth of 184 mm. Even if the desk has a wide apron, the drawer still fits in many cases. The slim 32 mm front features an integrated handle at the bottom, creating a clean, unobtrusive look.

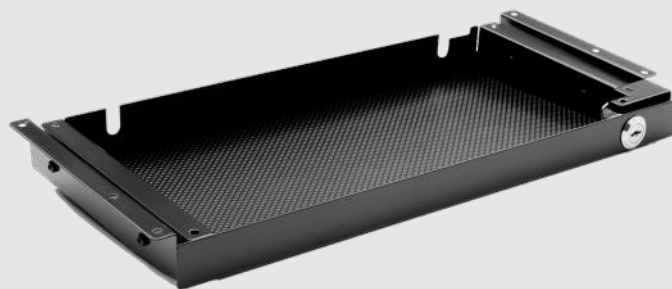

The drawer provides convenient space for personal items and can be easily adapted to different needs. The large models come with a removable plastic insert, while the narrow version with a lock includes a non-slip mat, and the narrow version without a lock comes with an insert.

Laptop Tray Classic

Laptop Tray Classic is a compact and highly practical laptop drawer, specifically designed for desks with a depth of 800 mm. The drawer works particularly well in spaces where under-desk room is limited and is ideal for securely storing a laptop.

The drawer comes with a lock as standard. The back panel features two ventilation holes to help reduce heat buildup during use. The holes are specially shaped to allow cables to pass straight down without interfering with the desk's apron. The back panel is also perforated, so a larger section can be removed if additional airflow or cable routing is required.

The drawer can be customized with a practical insert and soft close mechanism

Laptop Tray Extra

Laptop Tray Extra is designed to provide optimal space for your laptop while creating a light, elegant look at your desk. The ball-bearing slides allow 110% extension, so the drawer glides completely clear of the desk. The back panel can be easily removed for extra airflow or to route cables, making the drawer ideal for environments with multiple devices.

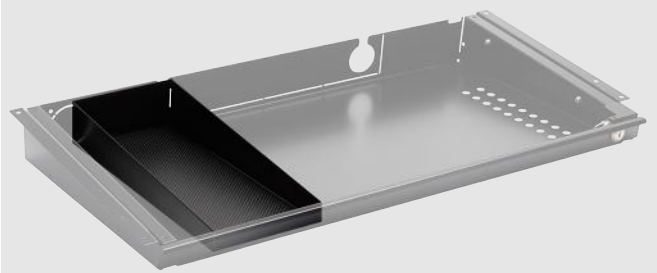

The drawer can be customized with insert trays for pens, clips, etc., USB fan, and soft close, so it adapts to different needs and workspaces. The drawer is durable, practical, and ready for daily use.

Item no.: 4070-0002-9005

Pen Tray, Wide

Pen Tray is a compact drawer that provides a clear overview and practical storage for everyday small items. The ball-bearing slides ensure 110% extension, allowing the drawer to glide completely clear of the desk for easy access to the entire contents. The drawer is mounted directly under the desktop, maintaining good legroom.

Inside, the drawer is fitted with a plastic insert that makes it easy to organize writing tools and small personal items. Pen Tray is available in a narrow and a wide version, and both variants can be supplied with or without a lock.

Pen Tray, Wide w. Lock

Item no.: 4010-0000

Tablet Tray

Tablet Tray is available in both narrow and wide versions and is designed for secure and practical storage of an iPad, tablet, or smaller items. The drawer comes with a lock and two keys, and the lock can easily be replaced with a high-quality German system lock with master key if desired.

Inside, the drawer features a non-slip rubber mat to protect the contents from scratches and impacts.

Item no.: 4015-0002

Laptop Tray

Laptop Tray is a square drawer, with the same height at the front and back, creating a simple and clean look. The drawer comes with a lock and can be mounted under a desk or inside a cabinet, providing secure storage for your belongings.

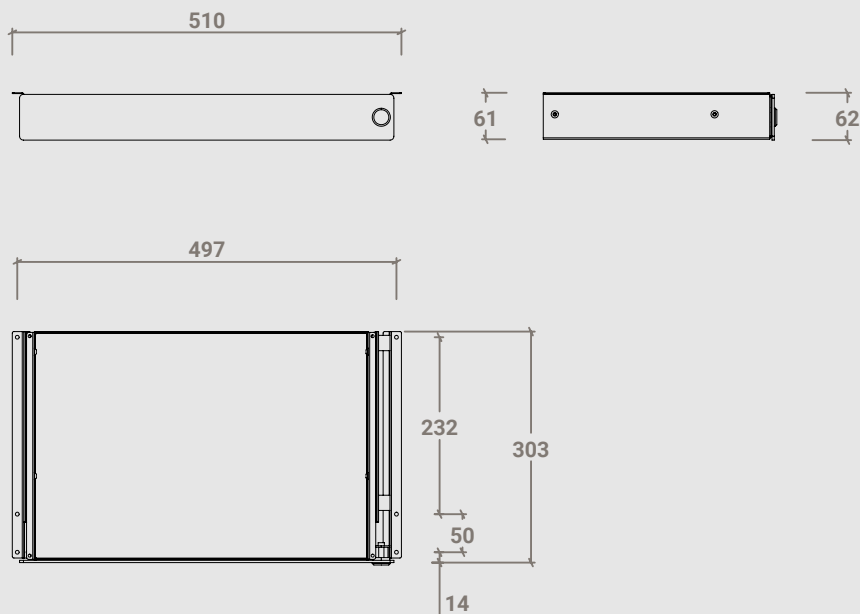

The drawer is perfectly sized for a laptop and features cut-outs in the back panel for easy cable management.

Tablet Tray, Narrow w. Lock

H: 62 mm W: 510 mm D: 303 mm

- 4050-0000-9016

Item no.: 4050-0000

Pen Tray Revolving

Pen Tray Revolving is available in black and grey, and is made of PP plastic. It is ideal for storing office supplies and works particularly well in smaller workspaces where space is limited.

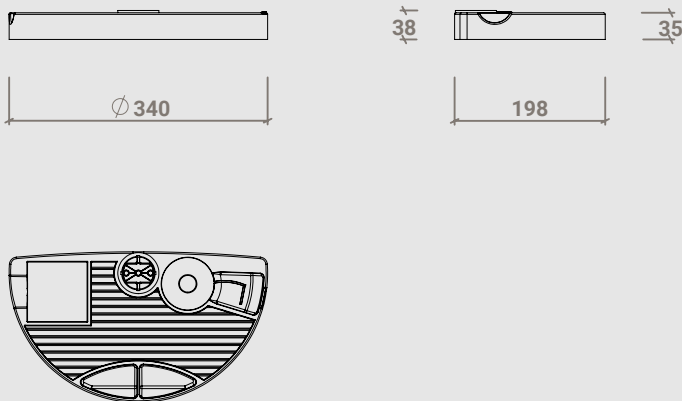

The drawer opens by rotating it and can swivel 360 degrees around its pivot point, providing easy access to all items inside.

Pen Tray Revolving

H: 35 mm W: 340 mm D: 198 mm

- 4030-0000-9005
- 4030-0000-9006

Item no.: 4050-0000

Triple Tray

Triple Tray is a three-tier drawer, designed to keep personal items within easy reach. The top tray has an insert for small office supplies, while the two lower drawers are ideal for books, A4 paper, or larger items. The drawer is available in two sizes and features ball-bearing slides with 110% extension for easy access to the entire contents.

Triple Tray mounts discreetly under the desk and is available in two sizes. All drawers come with inserts and non-slip rubber mats.

Triple Tray, Narrow

● 4060-0001-9005

Item no.: 4060-0000

Item no.: 4060-0002

Double Tray

Double Tray is a two-tier drawer designed to keep personal items within easy reach. From the outside, the drawer has a clean and simple front, but inside it features two separate drawers. Both drawers are fitted with ball-bearing slides with 110% extension, making the entire contents easy to access.

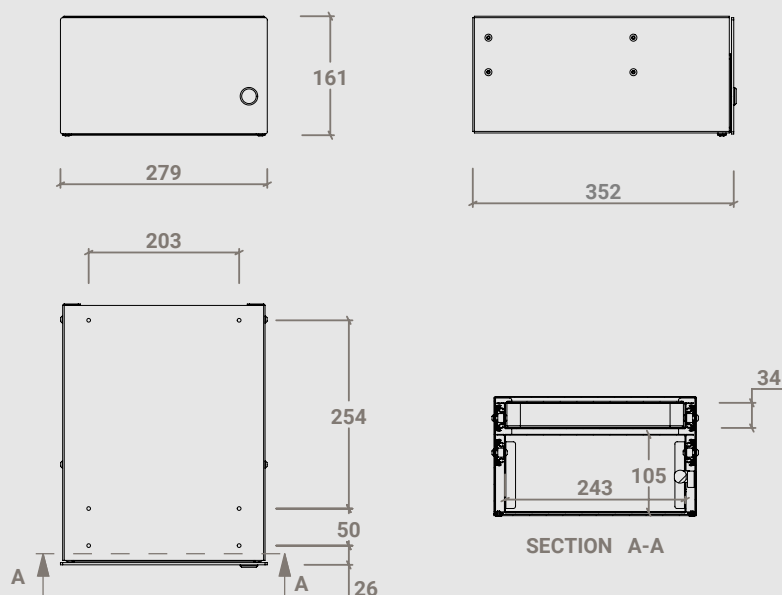

The top drawer comes with an insert for organized storage, while the bottom drawer is equipped with a non-slip rubber mat to protect the contents.

Double Tray, w. Lock

H: 162 mm W: 279 mm D: 353 mm

Item no.: 4065-0000

Bamboo Tray

Bring a touch of nature into your workspace with Bamboo Tray, a sleek and elegant drawer made from natural bamboo. It is perfect for storing paper, office supplies, and other personal items, combining practical functionality with a warm, natural look.

Bamboo Tray is available in two widths. The wide version comes with a fixed insert, making it easy to organize office supplies and keep items neatly in place. The drawer fits desks with a depth of 80 cm and deeper and is durable and ready for everyday use.

Bamboo Tray, Large

H: 43 mm W: 585 mm D: 243 mm

Bamboo Tray, Small

H: 39 mm W: 282 mm D: 243 mm

● 4091-0000-C

Item no.: 4095-0000-C

Item no.: 4091-0000-C

Felt Tray

Felt Tray is a drawer made of felt with a calm and modern design, combining soft shapes with clean lines. The drawer has hidden, internal ball-bearing slides, so there are no sharp edges on the outside that could cause scratches or snags. This creates a simple and pleasant overall impression for everyday use.

Felt Tray is available in Large and Small sizes.

Felt Tray, Large

H: 44 mm W: 562/733 mm D: 312 mm

● 4000-0000-9026 (Dark Grey)

Item no.: 4070-0000-9026 & 4000-0001-9005

Item no.: 4070-0002 & 4000-0003-9005

About the felt material

Felt Tray is made of felt from PET plastic, with up to 70% of the material sourced from recycled plastic bottles. The material gives the drawer a soft, felt-like appearance. While it feels like felt, it retains the strength and durability of plastic, making the drawer robust, wear-resistant, and flexible in use. The combination of aesthetics and functionality makes it ideal for drawers where both design and practical qualities are important.

Below are images of the Felt Tray Small, which is available in four different colors.
